

VOLUNTEER INFORMATION

2018 Native Plant Sale and Expo

March 24th 9am to 2pm
at the Roe Studio on the Campus of Whatcom Community College
237 W. Kellogg Rd., Bellingham, WA

Dear Volunteer,

Thank You for your interest in volunteering for the Whatcom Conservation District for the 2018 Native Plant Sale and Expo. With your participation we hope to make this a successful celebration of spring again this year. We have several days available where volunteers are needed. Prior to the sale, we will be packing pre-orders at the sale site and prepping the site for the event. And most importantly, volunteers are needed on the day of the open sale as greeters, bare root helpers, pre-checkout/customer assistance and clean up. Feel free to sign up for as many days as you can.

Sale Site Set Up:

Friday, March 23 (9am-3pm)

9:00am-12:30pm 12:30pm-3:00pm Full Day

Day of sale:

Saturday, March 24 (8am-3pm)

8:00am -12pm 11:30am-3:00pm Full Day

More volunteers are needed early on Saturday, as that is our busiest time. The shifts above are suggested times and we will be flexible with your schedule. Please let me know the days or shifts you would be available so that I can prepare the schedule. We will have sign in sheets at the event locations. Please remember to sign in as we would like to acknowledge you in our upcoming newsletter.

Very useful to bring list:

- ✦ Warm clothes, rain gear (It's March!)
- ✦ Gloves
- ✦ Sturdy Shoes
- ✦ Your knowledge and love of native plants

Contact the WCD with any questions or concerns, preferably before March 17th as we will be very busy during the week of the sale.

Thanks again!

Lucy Slocum

Maps and Directions

Directions:

Address: 400 W. Kellogg Rd. (Roe)

[Google Map](#)

- 🌲 From I-5 take exit 256A, head north on Guide Meridian, turn left (west) onto Kellogg Road and go straight through the roundabout.
- 🌲 Turn right just before the soccer fields at Kelly Hall main parking lot.
- 🌲 Alternative entrance is found by following W. Kellogg as it bends around to the north and becomes Stuart Road.
