

FY 2012 (7/1/11 – 6/30/12) Annual Work Plan Whatcom Conservation District (Adopted May 11, 2011)

For More Information Contact: George Boggs, District Manager
(360) 354-2035 x3 or GBoggs@whatcomcd.org

Mission of the Whatcom Conservation District

- *To assist land managers with their conservation choices.*

Natural Resource Priorities and Goals:

- **Improving Water Resources**
 - Surface waters of the Drayton Harbor, Birch Bay and Nooksack watersheds will, respectively, meet water quality or TMDL bacterial standards
 - Levels of nitrates in the rural public water supplies of the North County will be reduced to less than 10 mg/liter
 - The quantity of water available for both in and out-of-stream uses for the Bertrand, Fishtrap, Tenmile and South Fork (Black Slough) sub-basins will markedly increase.
 - Flooding from stormwater and poor drainage will be reduced in Ag lands.
- **Sustaining Agriculture**
 - The AG zoning designation will expand to 100,000 acres of farmland.
 - The conflicts between Agricultural and Residential uses will be reduced.
 - City, County and State governments will not adopt policies that result in a net loss in farmland or unduly and unreasonably hamper the ability of local agricultural operations to sustain themselves.
- **Forest Enhancement**
 - The productivity of small woodlots will increase.
 - Homeowners and communities will become safer from the threat of wildfires.
- **Habitat Enhancement**
 - Enhance or protect riparian areas along 10 miles of degraded watercourses.

Information & Education Priorities and Goals:

- *Landowners, students and other public entities will make the wise use of natural resources for present and future generations.*
- *Residents of Whatcom County will have a better appreciation for the value of livestock-based industries.*

District Operations Priorities, Goals & Funding Sources:

- *Strengthen partnerships and relationships with NRCS and other agencies and groups.*
- *Put the District on firm financial footing.*

Washington Conservation Districts assisting land managers with their conservation choices

FY 2012 (7/1/11 – 6/30/12) Annual Work Plan

Whatcom Conservation District (Adopted May 11, 2011)

- *Maintain the appropriate technical staff to accomplish District goals.*

Program Area: **IMPROVING WATER RESOURCES**

Strategies:

- *Deliver technical and cost share assistance to commercial farming operations that result in the implementation of best management practices that protect and improve water quality.*
- *Enhance supplies of fresh water through landowner adoption of conservation and stormwater infiltration practices.*
- *Consult with agencies on policies and regulatory programs that protect the environment not only to ensure program effectiveness but also avoid undue or unintended negative impacts to livestock-based industries.*

Funding Source(s):

- *Washington State Conservation Commission*
- *Whatcom County*
- *Washington Dept. of Ecology*
- *USDA NRCS Technical Service Provider Program*
- *US Environmental Protection Agency (EPA)*

WATER RESOURCES					
Commercial Livestock					
Conduct Risk Assessments	On going	Livestock Team	38	\$	13,730
Develop/Update Custom LNMPs	On going	Livestock Team	79	\$	29,953
Implement Custom LNMPs	On going	Livestock Team	72	\$	27,640
Implement Cost-share Program	On going	Livestock Team	16	\$	6,909
ARM Research Project	On going	Nichole	99	\$	33,921
Yakima Clean Air Agency Technical Assistance	Winter 2011	Nichole	9	\$	3,084
TSP - Planning & Design work	On going	Bill/Chris	293	\$	115,133
Non-Commercial Livestock					
Conduct Risk Assessments	On going	Chuck	23	\$	7,211
Develop Standardized LNMPs	On going	Chuck	56	\$	18,027
Implement Standardized LNMPs	On going	Chuck	56	\$	18,027
Implement Cost-share Program	On going	Chuck	9	\$	2,937
EPA Birch Bay Project	On going	Chuck/Andrew/Dawn/George	119	\$	45,875

FY 2012 (7/1/11 – 6/30/12) Annual Work Plan

Whatcom Conservation District (Adopted May 11, 2011)

Crop Farms

Develop Standardized Plans for Crop Farmers	On going	Chuck	11	\$	3,605
---	----------	-------	----	----	-------

Conservation

System/metering design/installation	On going	Chris	2	\$	1,083
-------------------------------------	----------	-------	---	----	-------

Stormwater Infiltration

Assist Landowners	On going	Frank	5	\$	1,722
-------------------	----------	-------	---	----	-------

Develop/Implement Plans	On going	Frank	5	\$	1,722
-------------------------	----------	-------	---	----	-------

Design/Install Demonstration Projects	On going	Frank	5	\$	1,722
---------------------------------------	----------	-------	---	----	-------

General

Work with Agencies & Stakeholders	On going	Chris/George/ Nichole	29	\$	15,259
-----------------------------------	----------	-----------------------	----	----	--------

TOTALS:			925	\$	347,558
----------------	--	--	------------	-----------	----------------

Program Area: **SUSTAINING AGRICULTURE**

Strategies:

- *Participate on the Whatcom County Ag Advisory Committee to advocate for the expansion of the farmland base, compensated removal of development rights from AG and RR zoned land important for agriculture and other policies that foster the sustained conservation of natural resources.*
- *Support efforts of existing local organizations whose mission is to protect farmland or make farming sustainable.*
- *Participate on Local, State or International committees that develop recommendations that could enhance agricultural sustainability while addressing resource concerns.*
- *Engage or cooperate with researchers in studies that could help livestock operations economically and effectively manage their nutrients.*

Funding Source(s):

- *Discretionary Funds*

SUSTAINING AGRICULTURE

TA-County/Agencies/Stakeholders	On going	George	11	\$	5,952
---------------------------------	----------	--------	----	----	-------

TOTALS:			11	\$	5,952
----------------	--	--	-----------	-----------	--------------

FY 2012 (7/1/11 – 6/30/12) Annual Work Plan

Whatcom Conservation District (Adopted May 11, 2011)

Program Area: **FOREST ENHANCEMENT**

Strategies:

- *Provide technical and cost share assistance to woodlot owners to develop conservation plans that enhance forest resources and protect water quality.*
- *Provide technical assistance to homeowners and communities in fire prone areas to develop “firewise” plans that reduce the fire hazard to their persons & property.*

Funding Source(s):

- *Whatcom County*
- *Washington State Conservation Commission grant*
- *Washington Departments of Ecology and Natural Resources*

FOREST PROTECTION						
TA-Landowners develop/implement forest plans	On going	Wayne	11	\$	4,152	
TA-Landowners develop/implement Firewise plans	On going		0	\$	-	
TOTALS:			11	\$	4,152	

Program Area: **HABITAT ENHANCEMENT**

Strategies:

- *Provide technical and cost share assistance to landowners for the installation and maintenance of CREP eligible practices along eligible watercourses.*
- *Partner with the Nooksack Salmon Enhancement Association and obtain grant funding to re-meander and install large woody debris in straightened and degraded watercourses.*
- *Partner with Whatcom County Flood Division, WIDs & DIDs to provide a program developing and implementing fish, water quality/quantity friendly irrigation/drainage plans.*
- *Partner with Whatcom County Planning & Development Services to deliver a program of technical and cost share assistance to non-commercial livestock operations that result in the implementation of best management practices that protect sensitive areas and improve water quality.*

Funding Source(s):

- *Washington Conservation Commission*
- *Washington Dept. of Ecology*
- *Whatcom County*

FY 2012 (7/1/11 – 6/30/12) Annual Work Plan

Whatcom Conservation District (Adopted May 11, 2011)

HABITAT ENHANCEMENT CREP

Develop and Plant 30 CREP Projects	Winter/Spring	Wayne/Emily	248	\$	79,431
Monitor and ensure proper maintenance of ~175 CREP Projects	Summer/Fall	CREP Team	259	\$	81,829
Effectively administer CREP cost-share and maintenance reimbursement program	On going	CREP Team	90	\$	31,040

WID & DID Management Plans

Plant and maintain DID riparian buffers	Spring	Frank	106	\$	40,456
---	--------	-------	-----	----	--------

General

Record plan and management data records into database	On going	Riparian Team	9	\$	3,232
Create/Update Plan GIS Shape files	On going	Riparian Team	32	\$	10,736
Mitigate/adapt for Climate Change	On going	Riparian Team	9	\$	4,432
Receive Professional Training Appropriate for Staff to Meet Program Tasks	On going	Riparian Team	20	\$	6,682

TOTALS: 772 \$ 257,837

Program Area: **PUBLIC INFORMATION & EDUCATION (PIE)**

Strategies:

- *Promote conservation-wise stewardship practices to landowners, students and other public entities through various media.*
- *Connect with urban dwellers through a plant sale, farmers markets and county fair.*
- *Hold workshops on topics of small farm stewardship and low impact development.*
- *Coordinate with other organizations and agencies on natural resource education efforts.*

Funding Source(s):

- *Washington Conservation Commission*
- *Washington Dept. of Ecology*
- *Whatcom County*
- *US Environmental Protection Agency*
- *Sales of Native plants.*

FY 2012 (7/1/11 – 6/30/12) Annual Work Plan Whatcom Conservation District (Adopted May 11, 2011)

PUBLIC INFORMATION & EDUCATION (PIE)

Publish Whatcom Conservation News	Biannually	WCD Staff	34	\$	11,142
Publish presentations, flyers, videos, internet content	On going	WCD Staff	5	\$	1,602
Staff booth at Farmers Market & NW Washington Fair in Lynden	Summer	WCD Staff	0	\$	-
Conduct Annual Native Plant Sale	Feb/Mar	WCD Staff	38	\$	10,809
Conduct school presentations and educational workshops	On going	WCD Staff	0	\$	-
Provide support (office, graphics, website & GIS) to partners in sub-basin initiatives	On going	PIE & Admin Team	34	\$	11,121
Conduct livestock stewardship workshops	On going	Chuck	23	\$	7,211
Conduct Rain Garden workshops	On going	WCD Staff	2	\$	861
TOTALS:			135	\$	42,746

Program Area: ***DISTRICT OPERATIONS***

Strategies:

- *Support the District's Board so they may serve successfully as the grassroots representatives of landowners and general public of Whatcom County by achieving widespread voluntary cooperation in natural resource conservation programs.*
- *Serve as the technical resource for landowners, general public and agencies on conservation matters.*
- *Administer District operations to ensure compliance with its enabling statute RCW 89.08 et seq. As well as the policies and standards established by the Commission or other funding sources.*
- *Capture financial resources to implement Annual and Long Range Plans*
- *Participate in the County's initiative to develop a comprehensive water resources management funding strategy*
- *Maintain the appropriate technical staff to accomplish the District goals.*

Funding Source(s):

- *All Grants*
- *Discretionary Funds*

FY 2012 (7/1/11 – 6/30/12) Annual Work Plan

Whatcom Conservation District (Adopted May 11, 2011)

DISTRICT OPERATIONS

Recruit/Support District Supervisors and Associates in implementing the District Charge.	On going	George	5	\$	2,381
General Technical Assistance to Agencies, Public and Landowners not addressed through other programs.	On going	George	68	\$	35,710
Administer Programs/Grants consistent with prescribed management standards	On going	Dawn/George	207	\$	79,401
Pursue and obtain funding to implement District Annual and Long Range Plans	On going	George	20	\$	10,713
Provide the training, equipment and support to District staff necessary to successfully accomplish their respective program responsibilities	On going	Dawn/George	7	\$	2,685
TOTAL:			306	\$	130,890

FY11-12 Desired Level of Staffing and Funding:

FY 10-11 Programs	Full-time Equivalents	Estimated Funding
Improving Water Resources	4.11	\$ 347,558.04
Sustaining Agriculture	0.05	\$ 5,951.70
Forest Protection	0.05	\$ 4,151.70
Habitat Enhancement	3.43	\$ 257,836.68
Public Information & Education	0.60	\$ 42,746.04
District Operations	1.36	\$ 130,890.24
TOTAL:		\$ 789,134.40
Overhead (25%)		\$ 197,283.60
		\$ 986,418.00
