

WHATCOM FARM EXPO

March 1st 2025 • 9am-2pm

NW WA Fairgrounds - WECU Expo Building

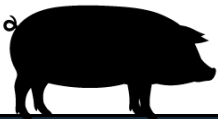

Whatcom Conservation District and Whatcom County Public Works will host our ninth annual, free to the public Whatcom Farm Expo at the Northwest Washington Fairgrounds. The goal of this event is to bring small farmers and industry experts together to facilitate learning, skill sharing, networking and to connect rural landowners with the resources they need to be successful.

Last year's event was a great success with over 600 hundred attendees. Our audience are small to medium scale livestock farmers of all types as well as rural land managers, gardeners, and orchardists. This is a great opportunity for you to highlight products, equipment, services, information, or activities beneficial to this group. However, no sales can be made at the event.
