

# Whatcom Farm Expo

March 4th • 9am-2pm

NW WA Fairgrounds - WECU Expo Building

It's that time of the year to start thinking about the 2023 Whatcom Farm Expo (previously Small Farm Expo)! Whatcom Conservation District and Whatcom County Public Works will host our seventh annual, free to the public Whatcom Farm Expo at the Northwest Washington Fairgrounds. The goal of this event is to bring farmers and industry experts together to facilitate learning, skill sharing, networking and to connect rural landowners with the resources they need to be successful.

Complete our survey to indicate your interest in event sponsorship, exhibitor, and/or speaker.

Last year's event was a great success with almost 300 hundred attendees. Our audience are non-dairy livestock farmers of all types as well as rural land managers, gardeners, and orchardists. This is a great opportunity for you to highlight products, equipment, services, or information, or activities beneficial to this group. Please complete our survey to join us in this fun early spring event. Survey Link: [tinyurl.com/WFE-ExhibitorSurvey-2023](https://tinyurl.com/WFE-ExhibitorSurvey-2023)
