**Candidate Statement:**

Theresa Sygitowicz is a 5th generation county resident, raised on a dairy, then beef farm. She strives for open and transparent government that respects civil and individual rights, and she is committed to the wellbeing of farmers, residents, and business owners.

She has long said, "We need to protect our resources, but also to use them responsibly, now and in years to come."

Theresa appreciates the traditions and values held by residents of Whatcom County, and she will work to protect our quality of life in a way that will assure that our community is safe and secure, with a productive economy that provides family living wages.

Theresa is:

- Committed to protect our environment
- Cares about our community
- Cares about protecting our future.
