Job Title: Native Plant Sale Assistant  
Compensation: $15.29/hr.  
Start Date: Tuesday March 24, 2020 – Saturday March 28, 2020  
(Approx. 40 hrs. total)  
8:00am – 4:30pm Tuesday-Friday,  
7:00am – 3:30pm Saturday  

Whatcom Conservation District (District) was established in 1946 to assist private land users in Whatcom County with the conservation of natural resources. The District is a legal subdivision of the Washington State government organized under “Conservation District Law”, RCW Chapter 89.08. We are non-regulatory, which means that landowner engagement with the District is voluntary and incentive-based. The District is an Equal Opportunity Employer. The annual Native Plant Sale and Expo is a popular educational event that promotes the use of native plants for restoration, mitigation and landscaping.  

Job Description:  
The District is seeking two temporary employees to assist with the handling of plants and supplies. Duties include packaging customer pre-order purchases, displaying plants for the Saturday open sale and restocking displays and assisting customers during the Saturday open sale.  

Minimum Qualifications for Position:  
- Basic mathematics and business English.  
- Physical ability to perform outdoor work such as handling plants and extensive lifting/carrying. Lifting up to 50 pounds and moving large and awkward sized bags of plants and other materials will be necessary.  
- Ability to work with others in a team environment.  
- Basic knowledge of native plants and their application for restoration purposes is desirable but not required.  

Application Procedure: Interested persons should submit the following:  
2. A concise letter of application describing work experience, qualifications, knowledge and skills and/or a resume are encouraged but not required.  
3. The names, addresses and phone numbers of three references.
